

RUSSELL LIVESTOCK

Russell, KS

Market Report November 21, 2019

Where we market your cattle, not just sell them.

The difference equals an auctioneer and competitive bidding!

Right at 1200 hd of cattle was viewed from our seats. Light steer and heifer calves were steady go, five eight calves and up were a little softer as we had mainly small packages. Weigh bulls steady, weigh cows were several dollars softer as they were higher last week.
