

RUSSELL LIVESTOCK

Russell, KS

Market Report February 21, 2019

Where we market your cattle, not just sell them.

The difference equals an auctioneer and competitive bidding!

For the auction we had a lighter run as many are worried about the coming storm. I would have to call the market on weigh cows and bulls steady with last week and our yearlings as well. Not enough light calves for a true test. I would like to take a moment to wish my Mom and Dad a Happy Birthday! Mom turned 37 on Tuesday and Dad 57 on Friday. But together they have worried about me a total of 96 years. The numbers on the ages are correct they just may be mis-placed! Anyway thanks to Mom and Dad for allowing me to be here. And don't give up worrying about me. And remember Mom I never told anyone your true age.
