

RUSSELL LIVESTOCK

Russell, KS

Market Report November 7, 2019

Where we market your cattle, not just sell them.

The difference equals an auctioneer and competitive bidding!

Great Auction! We worked with right at 2600 hd of cattle, working for 94 different consignors and managing 94 different buyer accounts. I can't say enough about our crew, most were here between 6-7 a.m. on Thur. and left between 1-3 a.m. on Friday. When I left at 4 a.m. there was only 202 head of cattle in yards. Special thanks to the the extra recruits for helping us out, Neil Bouray, Zack Sumpter, Scheldon Pfeifer, Jason Krug and the Driscoll boys! Weigh cows and bulls steady to a little higher, calves \$2-\$4 higher than last week.
